

SERRES

nemo

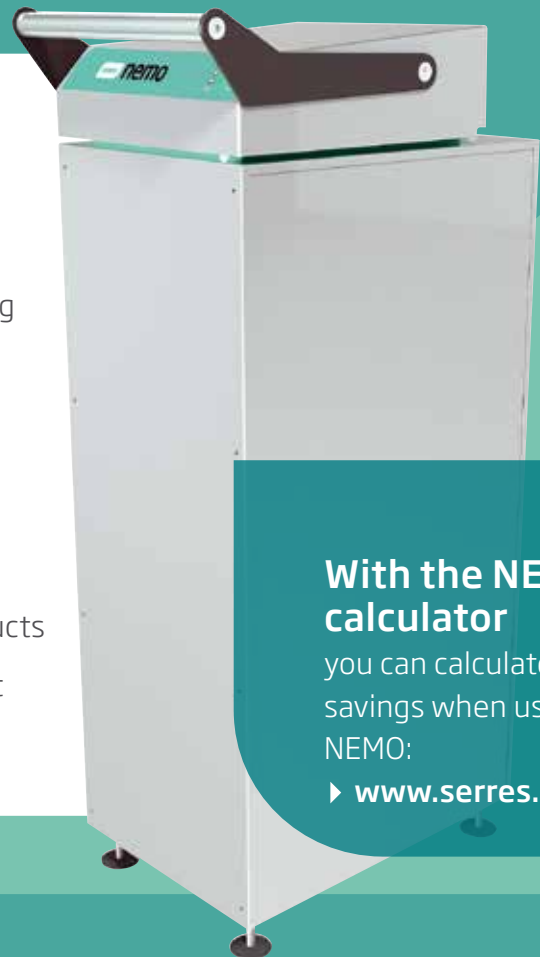

Innovative device for emptying suction bag

SERRES NEMO saves on expenses and boost operational efficiency.

The new SERRES NEMO empties suction bags efficiently, making the day-to-day life of hospital professionals cleaner and safer. Together with our suction bags, it creates a seamlessly compatible, hygienic and cost-efficient overall solution from suction to waste management.

The benefits of SERRES NEMO

- Extremely cost-efficient, minimises clinical waste related to suction bags
- Speeds up your everyday workflow, emptying cycle takes only 20 seconds
- Hygienic, protects staff from exposure to biohazardous fluids
- Daily use of the washing tray will ensure excellent hygiene
- Just as easy to use as all other SERRES products
- Functional design and compact enough to fit even tight spaces

With the NEMO calculator

you can calculate the annual savings when using SERRES NEMO:
